

## October 2010 - Greenwich & Disctirc Local committee Cancer Research UK Newsletter

Unfortunately we have decided to cancel our next Social Tea Dances as there was insufficient interest to make them as enjoyable as they should be. However, we have a couple of new events which I hope you will enjoy plus more details of the quiz and Murder Mystery. We are also providing a tombola at the Wedding Fair at CANE on 19<sup>th</sup> November, 12-5pm, which supports Cancer Research UK.

**Want to come to our events but don't have anyone to go with?** This is something that several people have said to us recently so we have decided to have a couple of "social" tables at our Christmas Murder Mystery evening. We already have some booked so come and make some new friends and join up with them. If you have any queries please just drop me a mail.
